

# Classroom Select® Dura Porcelain Steel Desk

Transform your classroom with Classroom Select® Dura Porcelain Desks—where innovation meets durability! Crafted with high-performance porcelain steel, these desks are designed to withstand years of use while maintaining their sleek look. Whether you're setting up collaborative group projects or creating focused individual workstations, these versatile desks can be arranged to fit any learning environment.

## FEATURES

- Porcelain on steel is more resistant to scratches, dents, and chipping which provides a more durable experience over traditional laminate tops because of the harder surface
- Porcelain on steel is more wear-resistant and has an increase longevity over traditional laminate tops
- Available in Classroom Select® Affinity shape, size 33"W x 23¾"D
- Classroom Select® Dura Desk is available in black injection molded, polypropylene edge banding
- Easy to clean tops with soap, water, and an optional diluted bleach solution

## SPECIFICATIONS
